LB 109, 81, 103, LR 24

SENATOR REUTZEL: NORDA will provide \$3.8 million estimated revenue for capital construction.

SENATOR BARNETT: A year?

SENATOR REUTZEL: \$3.8 million per year. LB 81, the Park Entry Fee will give you about \$1.1 million for maintenance.

SENATOR BARNETT: So using those facts, what you're saying is under 81, we could improve the parks system but it will take three times as long.

SENATOR REUTZEL: No, Senator, the LB 81 is for maintenance only.

SENATOR BARNETT: But that could be changed.

SENATOR REUTZEL: It could be changed, but it would...you would have to increase your fees to the point where you wouldn't have anybody using the parks if you increased your fees to achieve the same results in the lesser amount of time.

SENATOR BARNETT: We could raise the fees on the...that's out here with the bill, in other words with what you're saying. We could increase the fees on campers and so forth like that though, to make up the difference.

SENATOR REUTZEL: To the point where the usage would fall off.

SENATOR BARNETT: At this time, that's all I wanted to know. I didn't know the difference between those two figures and I wanted those out here.
